

Engaging in Your Child's School Experience

High Park Alternative School's parent community is critical to the school's success. Please take a moment to share with us some information about what grade your child is in and identify a few areas in which you would like to engage in your child's school experience and help support the school.

Parents' names: _____

E-mail address(es): _____

Child's name: _____

What grade is your child in at present? _____

Are you available during weekdays /
weeknights / weekends? _____

Are you open to being trained for
